Hello Johnathan,

We would refer you back to our previous statement and suggest contacting Jennifer Kaplan in the Office of Inspector General.

Regards,

Cathy

Subject: Question about Seresto

Hello,

I'm working on a story for Investigate Midwest and USA Today about the EPA Inspector General announcing that they will be reviewing whether the agency followed FIFRA in its review of incidents with Seresto.

I was wondering if EPA has any additional info on this.

Thanks,
Johnathan Hettinger
